

Allembly Management Group Inc.

Our client, Scarborough Centre for Healthy Communities (SCHC) is dedicated to meeting the diverse, holistic health needs of the people of Scarborough by addressing the physical, mental, social, financial and environmental aspects of their health. Through the promotion of healthy lifestyles and delivery of a comprehensive range of culturally competent health and social services, we cultivate vital and connected communities. We are currently looking to hire a full time permanent:

Clinical Psychologist – Community Health Team

Purpose:

The Scarborough interprofessional primary care access model is a partnership to enhance care for the vulnerable, complex clients living in the Scarborough North and South Sub-regions. The priority population includes over 900 people currently on the Health Care Connect list, as well as non-insured and clients who require access to interprofessional teams.

Bring your passion for community based healthcare to this face-paced and dynamic environment, as well as your program development and implementation experience to this role.

1

Key areas of responsibility:

Reporting to the Manager, Community Health Team, you will be working with our community-based primary care practitioners, our dynamic, collaborative and mobile inter-professional team will include Nurse Practitioners, Psychologist, RNs, RPNs, OTs, PTs, Social Workers, Dieticians, Navigator, Chiropracist, Foot Care Nurse, Case Worker, Mental Health and Harm Reduction Workers.
