

Clinical Psychologist

Penetanguishene, Ontario

We Help You Find Opportunities

Carecor is currently assisting the Director of Provincial Partnerships of Waypoint Centre for Mental Healthcare (Waypoint) by recruiting 3 Clinical Psychologist for the following departments Cognitive Behavioral Therapy, Dual Diagnosis and Forensic Assessment Program on the hospital's behalf.

About the Employer

Waypoint is a University of Toronto teaching hospital and academic research centre, located on the shores of Georgian Bay in Penetanguishene which is only 45 minutes from Barrie and 90 minutes from Toronto.

Their Provincial Forensic Mental Health program includes 160 inpatient beds and is an active treatment centre winning world recognition for its research and innovative programs. Their regional program has 141 inpatient beds and a variety of outpatient services providing specialty mental health care to people from Simcoe County, Muskoka, and parts of Parry Sound and Dufferin County.

Waypoint Centre for Mental Health also offers:

- Competitive salary and benefits
- Extensive educational and training opportunities and supports
- Fulsome benefits programs
- HOOPP Pension Plan
- Gold Standard Wellness program

Status

- Full-time, permanent, 37.5 hours per week during regular office hours Monday to Friday
- Those applicants preferring Part-time hours with permanent employment status will also be considered

Role Requirements

- Doctoral training in clinical psychology, completion of a doctoral degree
- Registration in good standing (or eligibility for registration) as a Psychologist with the College of Psychologists of Ontario
- Preference for additional certification and/or experience with Cognitive Behavioural Therapy or dual diagnosis programs or Forensic Assessment Programs, in alignment with one of the three specific roles listed above
- Experience conducting a range of psychotherapeutic and assessment techniques to plan, conduct, and coordinate psychological services as per College standards
- Ability to provide diagnostic assessments, implement treatment, rehabilitation and behavioural modification programs, as well as consultation experience for diagnosis treatment of patients/clients.
- Preference for communications skills in both English and French, or experience working with Indigenous people is also an asset

Remuneration

\$104,939 to \$133,126 per year

We thank all applicants who apply. Only those selected for interview will be contacted.

About Us

For over 35 years, we proudly attract and retain staff to our professionally skilled and supportive team. We specialize in acute healthcare and have expanded our reach through acquisitions, partnerships, and additional service offerings - becoming a predominant staffing agency in Ontario and Nova Scotia. Our reputation of quality is enhanced by the dedication of our people and the relationships we build. We are committed to connecting employees with flexible and rewarding work to meet their personal and professional goals. We provide clients with a full spectrum of healthcare workers specialized in patient care, digital health, and medical administration. In addition to celebrating our quality staff, we are proud recipients of the “Exemplary Standing” award from Accreditation Canada.
