

Clinical Psychologist

Cornerstone Family Care is a private, multi-discipline, mental health clinic located in the historic Walkerville neighborhood of Windsor, Ontario. Our fast-growing clinic is searching for a full-time (or two part-time) **Registered Clinical Psychologist(s)** to work among our existing team of Psychologists and Social Workers.

We are seeking a colleague practitioner with the following qualifications:

- Ph. D. or Psy. D. in Psychology
- Registered (or eligible) with the College of Psychologists of Ontario
- Experience with Psycho-Educational & Socio-Emotional assessments
- Licensed to work with Individual **Adult** clients **is a priority**
- Licensed to work with Children, Adolescents, and Families is a plus
- Willingness to work/schedule some evening hours (no weekends)
- Possible opportunity for professionals seeking Supervised Practice.

For our clients, our vision is to provide Windsor and the surrounding communities with prompt access to a wide variety of specialty counselling and assessment services all under one roof.

For the practitioner, Cornerstone Family Care provides the freedom and flexibility of private practice without any of the usual overhead, scheduling, administrative, or marketing concerns. All referrals are provided by the clinic and a full client schedule is likely within 2 to 3 months (or faster).

All treatments are provided in a warm, non-medical setting. All charting is completed via an electronic confidential record keeping system; our leading-edge, clinical management software provides you with secure access to your client information, schedule and charts via the internet 24/7.

For more information regarding this exciting opportunity, please send your inquiry along with a current resume to chelbich@cornerstonecare.ca. Also, please visit our website at www.cornerstonecare.ca.
