

Part Time Opportunities for Psychologists and Psychological Associates Registered (or eligible) to Practice in Ontario

Dalton Associates is a province-wide psychological and multidisciplinary mental health practice in Ontario. Our mission is to provide psychological services in a timely and affordable manner within the home communities of our clients, and to assist our clients in the selection of mental health professionals appropriate to their specific needs. We utilize both a direct service model and a supervised practice model to increase accessibility to psychological services throughout Ontario.

Our dynamic team of multidisciplinary professionals includes psychologists, psychological associates, social workers, psychotherapists, and other mental health professionals. Our strong team of administrative professionals provides clerical assistance, case management services and technological support for secure electronic record keeping and billing.

We offer psychological and mental health services across most populations and areas of practice, including: individual, family and couples counselling; rehabilitation (MVA, WSIB and LTD); return to work, telepsychological and corporate services; psychoeducational assessments; and autism and behavioural services.

We are currently seeking registered psychologists/psychological associates to take a leadership role in the development of our mental health services. We offer supervision for individuals seeking registration with the College of Psychologists or seeking to expand their area of practice.

RESPONSIBILITIES INCLUDE:

- Providing direct assessment and treatment to clients
- Providing leadership in the development and implementation of innovative, multidisciplinary mental health services to diverse populations throughout Ontario
- Responding to clinical and supervision needs within the practice, covering Ontario
- Providing supervision to non-psychology registered associates (i.e., counsellors, social workers, etc.)
- Would require working flexible hours and travel, contingent upon client needs and location
- Successful candidate(s) could practice from offices anywhere in Southern Ontario, including the GTA

QUALIFICATIONS:

- Registered for autonomous or supervised practice, or eligible for registration with the College of Psychologists of Ontario
- Competency in the following areas would be an asset:
 - Addictions
 - Workplace mental health and safety
 - Cultural safety
 - First Nations
 - Gradual return to work
 - Rehabilitation
- Applicants must have a valid Ontario Driver's License and access to a reliable vehicle

In addition to ongoing administrative support, we offer opportunities to expand your areas of practice, ongoing continuing education opportunities through training and workshops, a collegial and supportive atmosphere with regular meetings and communication with colleagues, and the opportunity to move into a leadership position in your area(s) of interest/expertise.

Closing Date: May 4, 2018
