Psychologist, or Psychologist in Supervised Practice, position available at a busy private practice in the Niagara Region. The position is flexible; it can be full or part-time, and work around existing commitments. Clients seen in the practice include children, adolescents, adults and families (supervision for couples therapy and therapy/assessment with seniors not offered). Training and supervision in Cognitive Behavioral Therapy, Dialectical Behavior Therapy, Acceptance and Commitment Therapy, and Cognitive Processing Therapy available. Mentoring related to opening a private practice is also offered; some associates have chosen to stay working within the practice and others have successfully opened their own practices when they felt ready to take this step.

Required Qualifications:

- Successful completion of a Ph.D. or Psy.D in clinical or counselling psychology
- Significant experience providing therapy and conducting assessments
- Well-developed professional writing skills
- Professional demeanour
- A strong working knowledge of complex ethical and legal issues
- Excellent organizational skills
- Ideally the successful candidate will register to work with, or be already registered to work with, all populations seen in the practice; however, this is not essential.

Compensation is based on licensing status. The successful candidate will have the option of buying into the practice's health insurance plan.

If interested, please send a resume and cover letter to Dr. Andrea Miller at careers@andreamiller.org. References and a Vulnerable Sector police screening will be required if a position is offered.

If you have any questions, please feel free to contact our office.
