

Dr. Wendy LeDoux and Associates is a well established psychological practice in the Durham region. We are a diverse group of Psychologists, Psychological Associates, Psychotherapists, Social Workers, and Family Counsellors serving all ages. We are looking for a Registered Psychologist or Psychological Associate to join our professional family.

We offer competitive compensation, self-directed hours of work, and a collegial group of co-workers. Our office space is fully furnished, and equipped with all supplies and services. We provide you with administrative support, a well-established flow of referrals, and an excellent reputation in the community with physicians, hospitals, veteran's services, schools, and community organizations. You may check out our website at www.drwendyledoux.com.

We are seeking someone with excellent oral and written communication skills who can provide psychological counselling/therapy for a range of disorders. Training and competence in evidence-based psychological treatment as well as being qualified with competency to serve adult clients. Opportunities for working with other ages if interested. Knowledge of psychological treatment services and support resources in Durham region is an asset. We require someone who is willing to utilize our office management software for progress notes and client receipts in session (OWL). Scheduling will be managed by our office manager at your direction.

Seasoned clinician or newbie, we want to hear from you. Supervision is available for candidates who are eligible for registration with the College of Psychologists. Please send your CV and cover letter to wendy@drwendyledoux.com. We have a wait list of clients eager to meet you!
