

Psychologist, or Psychologist in Supervised Practice

Garden City Psychology is currently looking for a new member for our clinical team. The position is flexible; it can be full or part-time, and work around existing commitments. Clients seen in the practice include children, adolescents, adults and families (supervision for couples therapy and therapy/assessment with seniors not offered). We are primarily looking for a clinician who is experienced working with children and adolescents. Training and supervision in Cognitive Behavioral Therapy, Dialectical Behavior Therapy, Acceptance and Commitment Therapy, and Cognitive Processing Therapy available. Mentoring related to opening a private practice is also offered; some associates have chosen to stay working within the practice and others have successfully opened their own practices when they felt ready to take this step.

Required Qualifications:

- Successful completion of a Ph.D. or Psy.D in clinical or counselling psychology
- Significant experience providing therapy and conducting assessments
- Well-developed professional writing skills
- Professional demeanour
- A strong working knowledge of complex ethical and legal issues
- Excellent organizational skills
- Ideally the successful candidate will register to work with, or be already registered to work with, all populations seen in the practice; however, this is not essential.

Compensation is based on licensing status. The successful candidate will have the option of buying into the practice's health insurance plan.

If interested, please send a resume and cover letter to Dr. Andrea Miller at careers@gardencitypsychology.ca. References and a Vulnerable Sector background check will be required if a position is offered.

If you have any questions, please feel free to contact our office at careers@gardencitypsychology.ca or 905-937-2345.
