

Assistant Professor in Clinical Psychology, Part-time, 3 - 5 years Contractually Limited
Department of Psychology, University of Guelph | Posted: October 24, 2017
Location: Guelph, Ontario

The Department of Psychology at the University of Guelph is seeking applications to fill four part-time contractually-limited faculty positions. The positions will be based in the Centre for Psychological Training (CPT), which is associated with the program in Clinical Psychology - Applied Developmental Emphasis (CPADE). The CPT provides a setting for CPADE students' practicum training while providing professional assessments and therapeutic interventions for children, adolescents and families in the Guelph community. The incumbent would provide teaching, primarily in the form of clinical supervision of therapy and assessment, for Masters and Ph.D. level students at the CPT.
