

Psychologist/Psychological Associate

Toronto Neurofeedback and Psychotherapy Centre – Etobicoke, ON

The Toronto Neurofeedback and Psychotherapy Centre is a group practice offering both psychotherapy and brain-based treatment.

We are currently seeking a part-time Psychologist or Psychological Associate to join our growing team. Working weekends and evenings is preferred.

By joining our growing team you will be provided with:

- Referrals from a Waiting List
- Full Office Services and Admin Support
- Beautiful Modern Office with large windows
- Conveniently located on the subway line at Bloor and Islington

Educational Requirements

PhD or Masters in Counselling or Clinical Psychology

Registered with the College of Psychologists of Ontario

Qualifications

- Experience working in a clinical setting with adult individuals and couples
- Experience providing emotion-focused therapy for couples.

Please provide a cover letter and your CV to: admin@torontoneurofeedback.ca
