

Psychologist or Doctoral Graduate Student Position Available

THE HALTON CENTRE for Cognitive Therapy & Stress Reduction

a Private Practice in Oakville

www.haltoncentre.ca

We are looking for a Child Psychologist or an Adult Psychologist, or a graduate student with one of these specializations, to join our team. The ideal applicant values professional integrity, high quality of care for clients, ongoing professional development, is supportive, and works well with a team.

About our Centre:

Our services include

- Assessment and treatment for children, teens, adults, families, and couples.
- Treatment for a variety of problems including anxiety, depression, trauma, personality disorders, chronic pain, addictions, and more.
- Primary modalities: CBT, DBT, EFT, MBCT, and Mindfulness.
- Psycho-educational assessments, psychological and diagnostic assessments, adult ADHD assessments.
- Please see our website for our workshops, groups, and community presentations.

Our team and office

The associates at our centre are highly trained, hardworking, creative, caring and supportive. The team is committed to ongoing professional development including leading and participating in our own monthly journal club meetings and weekly team meetings. Administrative staff are trained in social services and are responsive to clients' needs during intake and all queries to the centre. They also help the team with all administrative needs. There is ample free parking and we have large, cozy offices, waiting room, group room, and kitchen.

The Position:

- Is for a Registered Adult or Child Psychologist, Doctoral Graduate entering Supervised Practice or Doctoral Graduate student who is almost ready to graduate.
- Supervisors are available at the centre for registration with the College of Psychologists
- Part-time or full-time, as well as flexible hours during the day, evening or weekend are possible.

To Apply:

Please send a CV to Dr. Susan Williams, Psychologist and Director: williams.hcct@gmail.com or e-mail or call the centre for additional information: 905-901-0597.
