

Rehabilitation / Clinical Psychologist Positions- We offer excellent remuneration, flexible lifestyle-friendly conditions in a supportive / collaborative work environment.

The Therapy Centre is a private psychology practice with offices in Oakville and Hamilton, Ontario.

The Therapy Centre offers Cognitive Behavioral & Emotion Focused Therapy, Counseling and Psychological Services for children, teens and adults. Our role as therapists is to work together with clients, to explore, explain and modify unhelpful patterns of thoughts and emotions that are the basis of psychological problems.

- Our centre provides our team with fully furnished office spaces, administrative support, referrals and access to required industry software.
- We believe a strong and supportive work environment allows a clinician to independently provide therapy at the highest level.

The Position: We are hiring for **Rehabilitation and Clinical Psychologists**. The pay we are offering is in the top industry range per billable hour.

- We offer you access to our fully developed referral stream.
- We also provide you with a fully functioning office environment at no additional cost.

Requirements:

- Psychologist can be in supervised practice or licensed to practice in Ontario.

Responsibilities:

- The role of the psychologists would be to provide assessment and treatment services to individuals struggling with a variety of issues, including mood and anxiety disorders. Some cases will include those that have been involved in a motor vehicle accident or work place injury. We are open to part-time or full-time positions.
