

## CENTRE FOR PSYCHOLOGY AND EMOTIONAL HEALTH

***The Centre for Psychology and Emotional Health*** is a well-established and growing practice in downtown Toronto. We provide: evidence-based treatments such as Emotion Focused Therapy (EFT) to individuals and couples; Cognitive Behavioral Therapy (CBT); Dialectical Behavior Therapy (DBT); and Mindfulness Based Stress Reduction (MBSR). We value psychotherapy integration, collegial collaboration, and learning from each other's unique strengths and perspectives.

Formerly Dr. Serine Warwar and Associates, we are expanding to a new location. The change in our practice name and our expansion highlights our commitment to exceptional quality client care, ongoing education and training in psychological health, and a growing multi-disciplinary team.

The Centre for Psychology and Emotional Health is accepting part-time and full-time positions for Psychologists, Psychological Associates, Psychologists eligible for Supervised Practice, and other registered therapists who provide evidence-based treatments. We are seeking associates who provide therapy to adult and/or adolescent populations (individuals, couples, families, groups) who can offer some evening or weekend hours.

We offer: a supportive, collaborative, and warm environment with weekly rounds and consultation groups; training and professional growth; opportunities to conduct research, provide supervision, and lead or co-lead groups; and administrative support. Video-taped individual/group supervision and training are available.

The ideal candidate for this position:

- Has expertise in providing evidence-based treatments
- Has experience working with a wide range of psychological problems
- Is able to offer evening or weekend hours
- Has experience providing one or more of the following: emotion-focused therapy, dialectical-behavior therapy, cognitive behavioral therapy, couple therapy, and/or family therapy
