Mint Health Clinic

Location: Toronto (330 Bay Street, suite 509)

Multidisciplinary clinic looking for a great psychologist to join our team. Located in the heart of the city, in the financial district, steps from the PATH, and a couple blocks away from City Hall and the Eaton Centre.

Join a team of various practitioners including but not limited to Physiotherapists, Chiropractors, Naturopaths, Life Coaches, Family and Functional Medicine, Traditional Chinese Medicine, and much more to come.

Our mission is simple. End all human suffering and turn everyone into a super human. That's it! We are a team of established practitioners in the financial district that have branched out to start a new clinic. We want to take health care to a new level and lead all people towards a fully optimized life. This is not possible without optimal mental and emotional health.

We are in the most stressed out block in the country as our clientele are largely executives and support staff in many fields including finance, law, and IT. We are looking for a psychologist that can not only help address our client's issues, but also one who is also interested in a fully integrated health team that challenges people to live life to its fullest in all aspects.

At least 2 years experience with an established clientele also preferred. Compensation is a competitive percentage split.

Please send all inquiries and CVs to dlee@minthealthclinic.ca Our clinic website is www.minthealthclinic.ca (currently under construction).
