

**JOB POSTING – PSYCHOLOGIST/PSYCHOLOGICAL ASSOCIATE
TRILOKA PSYCHOLOGY & INTEGRATIVE HEALTH CENTRE**

Are you looking for a breath of fresh air? In this pandemic era, that's what the team at Triloka Psychology & Integrative Health Centre offers. And We're Hiring! Come work at Triloka Psychology & Integrative Health Centre, a leading private psychological wellness centre in Peel, Halton, and virtually throughout Ontario. Uniquely designed to help people discover their path to wellness, our boutique, spa-like setting operates several health discipline departments, as well as integrative health and cultural competency training programs, that together comprise a unique integrative service model. In order to meet overwhelming service demand, we are currently seeking to fill the position of Psychologist within our mental health department, with the capacity for immediate caseload, a full caseload in less than 4-6 weeks, and extended benefits & perks.

We are looking for Psychologists who are both self-motivated and team-oriented, and who want to grow a busy, reputable long-term practice. We have flexible hours, and we are looking to fill those hours with your name! Our clinic model is truly integrative & culturally competent, and we are committed to upholding a high standard of patient care through outreach, assessment, & customized intervention services. If you are able to work in a team environment and build lasting relationships, if you are interested in long-term practice and in growing with the Triloka team, then we want to hear from you!

Location: Provision of services at our Brampton office (located at border of Brampton & Mississauga), or virtually online within Ontario.

Hours: Part-Time, Flexible (2-4 days/week)

Job Type: Independent Contractor

Remuneration: Very competitive

COVID Considerations: Work-From-Home option; for those providing in-person services, the health centre is outfitted with sanitization stations, air filtration/UVC sanitization, plexiglass barriers, physical distancing markers, and additional restrictions.

The Current Opportunity:

- Join our growing team of innovative healthcare professionals serving the GTA and the province of Ontario
- Conduct comprehensive psychological consultations and psychodiagnostic assessments
- Perform administration and interpretation of psychological tests
- Develop and implement customized treatment plans informed by integrative health principles
- Provide psychotherapy (individuals, couples, families)
- Collaborate & coordinate with integrative health team, physicians, specialists, and case managers
- Complete all necessary clinical documentation and report writing in an accurate and timely manner
- Supervise junior members (optional)
- Demonstrate superior computer skills
- Maintain ethical and professional standards of care

Minimum Qualifications/Requirements:

- Current registration in good standing with The College of Psychologists of Ontario as a psychologist or psychological associate, or eligibility for supervised practice (advanced doctoral candidates may apply)
- Doctoral (Psy.D. or Ph.D.) or Masters degree in Clinical Psychology
- Demonstrated adherence to the College of Psychologists of Ontario's Standards of Professional Conduct
- Strong working knowledge of clinical case management, diagnostic techniques, and intervention using a range of modalities for a broad spectrum of mental health concerns and diagnoses
- Demonstrated ability to operate within high standards of patient care
- Excellent oral and written communication skills; organization, time management, and interpersonal skills

- Demonstrated commitment to culturally competent patient care
- Demonstrated ability to work effectively as both an independent professional and in an integrative team environment
- Willingness to grow your practice
- Understanding of functional and integrative health is an asset
- Understanding of mind-body / pain management is an asset
- Understanding of occupational stress injuries is an asset

What We Offer Clients/Patients:

We are innovators in integrative healthcare and wellness, with an interdisciplinary team that works cohesively and supportively to address mind-body health. We value collaborative care, evidence-based treatment, and culturally responsive intervention. We cater to the community with innovative treatment programs, modalities, and customized services. Mental health is an essential component of healthcare at Triloka Health Centre, and the Psychology team leads our patient care. Our team offers comprehensive consultation, assessment, and treatment services for a range of mental health concerns and disorders affecting work-life/school-life balance. In addition to private services, we offer insurance-based services for third party funders (e.g., WSIB, MVA, etc.). There are also opportunities for our associates to become involved in our corporate services. Our services are offered via in-person and telehealth (video, phone). During the COVID-19 Pandemic, services are mostly restricted to telehealth.

What Our Setting Offers You:

Work from home remotely, or commute to work in a beautiful, modern, spa-like setting that infuses relaxation and wellness into every aspect of its space. Whether using public or private transportation, you have access to private underground parking and your workplace is just minutes away from public transit, Highway 401, 403, 407 and 410. Dedicated front desk reception staff are here for you so that you can focus on what you do best - your practice - while we take care of all the rest, including bookings, payments, reminder calls, and clerical tasks. Enjoy the use of clinical tools at minimal add-on costs, marketing support, and soak in the benefits and perks that all staff enjoy!

Why Choose Us for Your New Work Team:

- Very competitive remuneration
- Flexible hours with day, evening and weekend options
- Acquire an immediate caseload
- Be part of a highly supportive and exceptional team
- Diverse practice and training opportunities
- Come to work in a spa-like setting
- Work from home and/or in a fully furnished office space
