

## **Psychologist/Psychologist (Supervised Practice)**

North York, ON (currently providing tele-therapy services)

### **Job Summary**

ARC Psychology welcomes enthusiastic Psychologists or Psychologists under Supervised Practice, who are comfortable providing video-therapy, to join our team. ARC Psychology provides psychodiagnostic assessment and evidence-based treatment services to first responders, veterans, military personnel, and the community. We are looking for Psychologists with experience providing care to adults with a range of clinical needs including PTSD, depression, and anxiety.

### **Qualifications and Skills**

- Ph.D. in Psychology
- Registered with the College of Psychologists of Ontario to provide autonomous or supervised practice as a Clinical Psychologist
- A history of building strong relationships with an adult client population
- Ability to assess individual client needs; and to develop and implement evidence-based treatment plans to address client needs
- Ability to conduct psychodiagnostic assessments
- Interest in working with first responders, veterans, and/or military personnel
- Experience working with trauma, mood, and anxiety disorders is preferred
- Excellent interpersonal and communication (oral and written) skills
- Ability to work independently and as a collaborative team member
- Ability to work effectively with individuals from diverse backgrounds
- Ability to collaborate with community partners (e.g., WSIB Case Managers)

### **Job Type**

- Part-time, with the opportunity to build to full-time hours, if desired
- Flexible working hours
- We are currently providing virtual therapy

We offer a competitive salary commensurate with experience.
