Seeking a Child and Adolescent School and Clinical Psychologist (or recent PhD graduate in Supervised Practice)

We are a dynamic, private child and adolescent psychology clinic in mid-town Toronto looking to hire an early career Psychologist or recent PhD graduate in Supervised Practice.

We are currently providing on-line and (limited) in person appointments for children and adolescents in our clinic.

Details are as follows:

- part-time or full-time hours (20+ hours per week)
- responsibilities will include:
 - conducting comprehensive psychoeducational assessments, including administration of all measures and report writing (diagnosis of Learning Disabilities, ADHD, Giftedness)
 - experience conducting diagnostic social-emotional assessments is an asset (diagnosis of Anxiety, Depression and other conditions)
 - conducting psychotherapy in the treatment of anxiety and depression in children and teens (training in Cognitive Behavioural Therapy or related modalities is required)
 - experience in parent coaching is an asset
- we require strong references from clinical placement supervisors
- if required, you will be supervised by a highly experienced, licensed Psychologist
- compensation to be discussed in an interview

Please send:

- a cover letter and resume
- 2 sample psychoeducational/psychological assessment reports (with identifying information removed)
- names of 2-3 Psychologist references

Forward documents to Dr. Michelle Neufeld (mneufeld@newbridges.ca) and Dr. Alisa Kenny Bridgman (abridgman@newbridges.ca)

Thank you!
