

**Psychologist, psychological associates, registered psychotherapists and social workers**

The Clinic on Dupont  
Location: Toronto, Ontario

We are currently looking to recruit psychologists, psychological associates, registered psychotherapists and social workers to join our multi-disciplinary team of therapists working at The Clinic on Dupont, a therapy clinic in mid-town Toronto.

For now, we will be providing services virtually through your preferred (compliant) source of telecommunication.  
However, once COVID 19 is under control, we will be working out of our offices in the Annex section of Toronto.

We offer a constant source and a wide variety of referrals, an exceptionally attractive compensation structure, great collegial support and a warm supportive working environment.

We are currently looking to recruit clinicians working within an evidence-based model providing services to adults, adolescents, children or couples.

If you are interested in joining our dynamic team of clinicians, please submit your resume to:

Dr. Randy Katz at: [rkatz@theclinicindupont.com](mailto:rkatz@theclinicindupont.com).
