

About the opportunity

HealthOne Toronto is looking for a motivated and enthusiastic Clinical Psychologist to help raise awareness for Mental Health Services in our community. We are seeking someone who would be interested in providing direct patient care while also serving as our Mental Health Clinical Lead. This is a unique partnership opportunity with tremendous growth potential.

Our ideal candidate is a passionate clinician looking to take their career to the next level. We are seeking someone who is:

- Interested in continuing to practice clinically while growing a robust mental health practice as the practice of choice across the Toronto South Core
- Motivated to refine and further develop current practice policies, procedures and workflows
- Inspired by the opportunity to leverage interprofessional patient-centred care in the delivery of mental health services to our community.
- Open to partnering with our Marketing team to help raise awareness of our mental health services and establish best practice guidelines around Mental Health promotion

If you aspire to be a clinician, entrepreneur and clinical leader in the mental health space in the south core of Toronto, we'd love to meet with you!

Why work with HealthOne? Here's what's in it for you:

- State-of-the-art, 10 000 sqft facility in the downtown core (Path System) with high traffic of professional patients
- Competitive compensation and flexible hours
- Transfer your current roster or starting building your practice with us
- All administration support including billing, booking, and logistics handled for you by our professional administrative staff
- Collaboration opportunity with our inter-professional team to help enhance the services you can provide to your patients (on site as part of the facility including medical and walk-in, pharmacy, wellness, rehabilitation, dental, skin care & optical)

Requirements:

- Registered Clinical Psychologist currently licensed by and in good standing with the College of Psychologists of Ontario
- Strong clinical assessment and treatment skills as proven based on previous experience in a similar role
- Strong appetite & capability to lead and guide the Mental Health Practice
- Ability and desire to work independently & collaboratively as a team in our inter-professional clinic, ultimately keeping the patient's goals in mind
- Charismatic and able to empower patients to make positive choices
- Solid communication & interpersonal skills, resourcefulness, and self-motivated nature
- Warm, approachable and client-centered professional

Compensation:

- Competitive Fee split for patient care
- Compensation for Clinical Lead Role & Growth

About HealthOne

Located in downtown Toronto (5 minutes south of Union Station), HealthOne Medical Centre has expanded!

HealthOne Medical Centre is a medical clinic that has been proudly serving Toronto for the past 6 years. We are excited to announce that we have now opened our second location to service the south core community of downtown Toronto. HealthOne Toronto is located at One York – directly connected through the PATH to Union Station & Scotiabank Arena.

At HealthOne, we truly believe in holistic health care and would like to offer our patients a wide variety of treatment options to maintain and increase their well-being. Our multidisciplinary health and wellness clinic is focused on providing outstanding patient care & experience. We are deeply committed to providing personalized health care services through an integrated approach to help patients achieve optimal health. In addition, our Retail & Experience center highlights the latest & greatest in health-related technology & wellness products (including organic cold-pressed juices) to our patients.

Located in the rapidly expanding south core, the centre has direct PATH access and excellent exposure to a high volume of potential patients.

We are motivated to build a strong, long-term partnership with the right candidate and offer exciting growth opportunities.
