Clinic

RoncesvallesPsychologyClinic.com

Roncesvalles Psychology Clinic is a full-service private practice offering therapy and assessment for every life stage. Our team is comprised of Adult and Child and Adolescent Psychologists, a Child and Adolescent Psychiatrist and a Social Worker. We offer an array of services for children, adolescents and adults including individual therapy, couples therapy, parenting sessions, psycho-educational assessments and psychiatric consultations.

We are currently seeking several psychology candidates to join our team including ABD, Supervised Practice Candidates and Early Career Psychologists.

Benefits of joining our Team:

- Clinical supervision
- Full time administrative support
- Consult with on site Child and Adolescent Psychiatrist
- Attend team meetings for clinical consultation and professional development
- Opportunity to shape our growing practice and develop a diverse caseload according to your interests
- Friendly and collegial environment where we encourage a work/life balance
- Open to home-office/clinic-office work model
- A pleasant setting in a beautifully renovated Victorian home in the heart of Roncesvalles village with proximity to the lake, public transit and the many amenities of our vibrant neighbourhood
- On site parking

Position Description:

- Diagnosis, treatment planning and psychotherapy
- Collaborate with clinicians as part of the treatment team
