

Town Psychological Services is an established private psychological practice located in Oakville, Ontario. We are a thriving practice situated at the border of Oakville and Mississauga. Due to our rapid expansion and growth we recently moved to a brand-new location, which consists of a four-office suite with a large waiting room in a modern executive building! We are looking to hire **Psychologists (autonomous, under supervised practice, or in-training)** to work with adults, adolescents, and couples.

This is an excellent opportunity to join a dedicated and supportive team of professionals in a warm and welcoming private practice! Our team consists of psychologists, registered psychotherapists, psychiatric registered nurses, and a client coordinator.

### Qualified candidates will have:

- A Doctoral level degree in Psychology and registered or eligible for registration with the College of Psychologists of Ontario
- Two years or more of experience preferred for psychologists-in-training
- Excellent written and interpersonal communication skills
- Exceptional skills in assessment and intervention using evidence-based psychological treatments (e.g., DBT, CBT, EFT, and ACT).

### Why Us?

- Prime location (conveniently located right off the QEW between Trafalgar and Ford Drive)
- Very competitive compensation
- Work remote or in-person. \*Please note that any in-person services strictly adhere to COVID-19 safety protocols (i.e., screening, face masks, installed plexiglass, hepa air purifiers, physical distancing, cleaning, etc.)
- Electronic online system allows easy access to scheduling and encrypted video sessions remotely
- Associates make their own hours
- Administrative support available
- Office space fully furnished and functional with all supplies needed
- Free parking, staff kitchen with coffee, tea, microwave, and fridge.
- Steady referral stream
- Supervision available for those under supervised practice or completing their Ph.D. practicum
- Consultation readily available
