

Town Psychological Services is a private psychological practice located in Oakville, Ontario. We are a thriving practice situated at the border of Oakville and Mississauga, serving Halton, Peel, and neighboring regions. Due to our rapid expansion and growth we recently moved to a brand-new location, which consists of a four-office suite with a large waiting room in a modern executive building! We are looking to hire a part-time Psychologist (autonomous or in-training).

This is an excellent opportunity to join a dedicated and supportive team of professionals in a warm and welcoming private practice!

Qualified candidates will have:

- A Doctoral level degree in Psychology and registered or eligible for registration with the College of Psychologists of Ontario
- Possess individual liability and malpractice insurance per college requirements
- Excellent written and interpersonal communication skills
- Training and competence in assessment and evidence-based psychological treatments (e.g., DBT, CBT, EFT, ACT, Mindfulness) for a range of conditions including anxiety, depression, trauma, relationships issues, emotion regulation difficulties, BPD, etc.
- We are especially interested in candidates who offer couples counselling and deliver assessment and treatment services to adolescents.

Why Us?

- Prime location (conveniently located right off the QEW between Trafalgar and Ford Drive)
- Very competitive compensation
- Work remote or in-person. *Please note that any in-person services strictly adhere to COVID-19 safety protocols (i.e., screening, face masks, installed plexiglass, hepa air purifiers, physical distancing, cleaning, etc.)
- Electronic online system allows easy access to scheduling and encrypted video sessions remotely
- Associates make their own hours
- Administrative support available
- Office space fully furnished and functional with all supplies needed
- Free parking, staff kitchen with coffee, tea, microwave, and fridge.
- Steady referral stream
- Opportunities for supervision available
- Consultation readily available, if needed
