## **POSITION AVAILABLE**

### **Full time psychometrist/psychologist/psychological associate position available**

with an established psychology private practise in Goderich, Ontario along the beautiful shores of Lake Huron. Services provided to school boards, private clients and other agencies. Psychoeducational assessments, psychological assessments and individual therapy for both children and adults provided in the practice.

#### Job Description

- Full time
- Rural practice
- Completion of assessments with children and adults
- Provision of therapy to children and adults
- Salary to be negotiated

#### Qualifications:

- Familiarity with standardized assessment instruments for assessment of learning disabilities, gifted, and other diagnoses associated with identifications within the school system
- Familiarity with evidence based assessments with adults for both cognitive and psychological assessments
- Report writing skills essential. Familiarity with the IEP, IPRC and identification process within the school system is an asset but training can be provided.
- Ability to work independently and with a team
- Ability to provide therapy to either adults or children using evidence based modalities
- PhD, PsyD, MA/M.Sc. in Clinical or Educational Psychology. Must be eligible for registration, or registered with the College of Psychologists of Ontario.
