

Wherever you ride, we've got you covered

Relish an open-road cruise? Live for an off-road scramble? Whatever the terrain, the best adventures are taken on two wheels. With motorcycle insurance from Co-operators, you'll get the protection you need to enjoy every mile to the fullest.

What's covered on two wheels?

Our coverage is tailored to the distinct risks of all types of motorcycles, including roadsters, cruisers, dirt bikes, mini bikes, mopeds and more. We protect you through:

- **Third-Party Liability** to cover your obligations for causing injuries or property damage.
- **Accident Benefits** to provide medical-expense and loss-of-income payments, regardless of who was at fault in a collision.
- **Uninsured Auto** to cover your expenses if you're injured by a fleeing or uninsured motorist.
- **Direct Compensation Property Damage** to compensate you for damages to your bike for which you are not at fault.
- **Collision coverage** to repair or replace your bike if it is damaged in a collision.
- **Comprehensive coverage** to protect against non-collision-related losses to your bike, like from theft, hail or flying objects.
- **Riding gear coverage** to replace up to \$5,000 of motorcycle riding gear - such as helmets, eyewear or airbag vests - after an insured loss.
- **Depreciation coverage** to help cover the replacement costs of a new motorcycle after a total loss, available for up to five years.

How can you save while you ride?

We offer multiple ways to lower your motorcycle and dirt bike premiums, including:

- **A multi-vehicle discount*** when you insure multiple recreational vehicles, or when you pair your coverage with an auto policy.
- **A multi-product discount*** when you purchase another Co-operators policy, like home or life insurance.
- **An electric vehicle discount*** if your riding adventures are powered by battery.
- **A renewal discount*** when you insure your bike with us for five or more consecutive years.
