

Beautiful office space in Toronto

Looking for a compassionate clinical psychologist to join our downtown Naturopathic Clinic. We have a focus in women's health and have a collaborative approach - often referring out for psychological support. We are eager to find a psychologist to join our team and support our patients in-house.

Small building at Dundas and Dovercourt. Flexible availability.

Split/Rent negotiable with the right person.

Other practitioners sharing the space: Naturopathic doctors, massage therapist, holistic nutritionist.

Friendly and inviting atmosphere.

Available immediately.

We look forward to meeting you!
