

CHILDREN RESISTING CONTACT POST-SEPARATION: CONCEPTS, CONTROVERSIES, ASSESSMENT & INTERVENTION

Small Group Virtual Training - April 20, 21, & 28, 2023

Barbara Fidler, Ph.D., C.Psych, AccFM, FDRP PC & Shely Polak, Ph.D., MSW, RSW, AccFM

This small group virtual training opportunity (Zoom “meeting” format) is suitable for therapists, parenting plan evaluators, mediators, parenting coordinators & child protection workers. Using case examples, media, interactive exercises, and small group focused discussion, topics covered include:

- ❖ differentiated spectrum of parent-child contact problems - affinities, alignments, justified rejection (realistic estrangement), alienation & hybrid cases
- ❖ research on the impact of alienation on children, adolescents & young adults
- ❖ clinical screening, intake & assessment using multi-factor model
- ❖ differentiated clinical & trauma-informed interventions for mild & moderate cases
- ❖ role of the court, legal remedies & necessary components for court order
- ❖ nuts & bolts of family systems-based interventions (Multi-Faceted Family Therapy) for mild & some moderate cases, including initial query & referral management, clinical screening & intake protocols, informed consent process & service agreement, psycho-educational tools & clinical interventions, strategies & techniques.

Materials provided include: power point handout; seminal articles; sample clinical intake questionnaires, informed consent service agreement and sample court orders; resources for screening/intake and suitability analysis and intervention tool kit including parent education handouts and more.

SPACE IS LIMITED – REGISTER EARLY TO RESERVE

Registration Fee: \$1275.00 + \$165.75 (HST) = \$1,440.75 (CAD)
