

PRIVATE OFFICE SPACE FOR RENT

Natural Cosmetic Clinic

Posted: August 28, 2026

We are pleased to offer a private office space for rent within our established multidisciplinary wellness clinic located in Vaughan, Ontario.

The office is ideal for a psychologist, psychotherapist, counsellor, social worker, or other mental health professional looking for a professional, welcoming environment to meet with clients.

The space includes:

- A private, comfortable treatment/consultation room
- A welcoming reception and waiting area for clients
- Front desk reception
- High-speed Wi-Fi
- Electricity and water included
- Cleaning and maintenance of all common areas
- Free parking for practitioners and clients
- A quiet, professional, and peaceful clinic environment
- Flexible scheduling options (if applicable)

Our clinic is home to a variety of health and wellness professionals, creating a collaborative atmosphere that supports both practitioners and their clients. We also welcome a steady flow of clients every week, providing an excellent opportunity for professional visibility and potential referrals.

Whether you are establishing a new private practice or expanding your existing one, this space offers an excellent location in a respected healthcare setting.

Please find attached photos of the office along with additional details about the space.

If you have any questions or would like to arrange a viewing, we would be happy to hear from you Shooka.healthengineering@gmail.com

Thank you for your time and consideration.

Kind regards,

Natural Cosmetic Clinic
