

Beautifully Furnished Office for Sublet

Steps from St. George & Spadina Subway — U of T Campus

A rare opportunity to sublet within a well-established, design-forward therapy suite in one of Toronto's most walkable clinical locations. The space is fully furnished, thoughtfully appointed, and shares a warm, architecturally distinctive suite with other mental health practitioners — well suited to an individual adult or couples practice.

Pictured: another office within the group practice, shown to give a sense of the architecture and decor. Photos of this specific space will be available shortly, and in the meantime are available on request.

Availability

Open to subletting **2–3 days per week**. Thursday, Friday, and Saturday are the preferred block, with flexibility on the rest — the only days that are firmly unavailable are Monday and Tuesday.
