

North Toronto Office Space For Lease

Location: Yonge St. and Sheppard Ave., Toronto

Well-situated, private and inviting professional suite with 2 offices, separate waiting-room, kitchenette, bathroom and storage room, available at the vibrant hub of Yonge and Sheppard. This prime opportunity is conveniently located minutes from the Yonge and Sheppard subway, with private parking spaces available onsite.

This bright, inviting and beautiful unit features a high-grade soundproof design for a quiet, confidential and tranquil environment. This location has been home to a thriving psychology practice for several years, and is ideal for professionals and businesses who require a well-cared for, professionally appointed workspace for a small professional practice or team. This opportunity is especially well-suited for someone looking to build their practice in an area that has a high density of nearby workplaces and residential neighbourhoods that offer immediate access to a broad base of potential clients. Possibilities for occupancy include rental or lease take over, with financial incentives available.

Please contact us to arrange your visit to view this suite or to learn more about the opportunities available,
