THERAPY & ASSESSMENT ROOMS FOR RENT

We have a mental health clinic with three private therapy/assessment rooms for rent. Two of the rooms are equipped with client chairs, therapist chair, white noise machine, and white board. Two of the rooms are ideal for assessments, with a large desk and chairs. We are conveniently located in Etobicoke, off of the Gardiner/QEW and Hwy 427, in the professional medical building across from Sherway Gardens Mall.

- One room is \$400.00 per month for one day each week (e.g., every Wednesday, 8am to 8pm)
- Psychologist/Psychological Associate must be registered with CPBAO and must show proof of professional liability insurance.
- Waiting room, private washroom, kitchen
- Lots of paid parking
- Great for clinicians who are starting their private practice and don't want to commit to a whole office space!
